

Social Studies Study Guide Chapter 3

- Know the following terms: 1) Artifacts, 2) Cultures, 3) Nomadic, 4) Cultural Regions, 5) Gorge, 6) Mesa
- Be able to identify each region by name after reading a short description of the region.
- Be able to identify where each cultural region is on a map.
- Be able to identify the artifacts from each region and what tribe used them. Be able to describe what this artifact was used for or made from.
 - *Focus on these artifacts*
 - Clay pot
 - Birch-bark canoe
 - Woven cotton dress
 - Clamshell necklace
 - Cedar-bark rain cape
 - Chickee house
 - Buffalo hide blanket
- Use the attached worksheets to help you study for the test
 - Fill in the missing information on the chart
 - Label the regions on the map with the correct cultural group

If you can do all of the above you will do well on the test! Study early and don't wait until the last minute. A little at a time will help you remember more than trying to cram for the test the night before.
